GATHER YOUR LOGIN CREDENTIALS:

Check your KU email account for an email from KU Campus Store (bookstore@kutztown.edu) titled “Welcome to Inclusive Access”

Click on the link in the email. It will take you to your Inclusive Access portal which looks like this. Here you will find the website address for your materials as well as your access code to the materials.

The last item you will need to log in is the course code provided by your professor. This is typically the professor’s last name and some numerals. (Ex. Smith1234)

REGISTER ON THE PEARSON WEBSITE:

Go to the MyLab & Mastering website and Sign In to your Pearson Account. *

*You will have an account if you have ever used a MyLab or Mastering product. If you don’t have a Pearson account, select Register and follow the instructions.

Enter the course code from your professor.

Select Access Code**

Enter the 30 character access code from your email

Click Finish

**You do not need to purchase anything. You were already billed for this material on your MyKU account.
